

Annual Meeting 2021 SPONSORSHIP FORM

NIPPC plans to hold its annual conference on September 12th to 14th, 2021.

If regulations permit us to gather in person, we will convene at Alderbrook Resort on Sunday, September 12, and run our two and a half-day event as we have done in the past.

If we are unable to do so, we will create an online conference, as we did in 2020, and run two morning sessions on 9/13 and 9/14.

Either way, we want you to join us!

In the past year, NIPPC has maintained its position as a leading advocate for competitive power and well-designed public policy. From regional resource adequacy programs to 100% clean energy legislation, NIPPC has played a significant role, helping to create thoughtful and pragmatic solutions across stakeholder groups.

Our annual meeting is where we bring key players from across the sector to openly debate the hottest topics facing regional energy policy-makers.

We remain committed to delivering a world-class program which is made possible, in part, by the underwriting of our sponsors. Many sponsors come back year after year and we are grateful for your continued support.

Sponsorship rates for the 2021 conference are as follows:

Sponsorship level	Cost	
Platinum	\$6,500	Seminar included
Gold	\$4,500	
Silver	\$2,500	
Silver – online event	\$500	1 attendee
	\$1,000	Up to 3 attendees
