

Annual Meeting 2022 SPONSORSHIP FORM

NIPPC's 19th Annual Meeting is scheduled for September 11th to 13th, 2022.

We plan to convene at Alderbrook Resort and Spa, the longtime home of our event and, unless COVID-19 regulations force us to do so, we will not run a hybrid meeting.

In the past year, NIPPC has grown, adding new members from a wider cross-section of the industry to the coalition. That said, our goals have remained clear: NIPPC is a leading advocate for competitive power and well-designed public policy, at both a regional and federal level.

From regional resource adequacy programs to 100% clean energy legislation, NIPPC has played a significant role, helping to create thoughtful and pragmatic solutions across stakeholder groups.

Our annual meeting is where we bring key players from across the sector to openly debate the hottest topics facing regional energy policy-makers.

We remain committed to delivering a world-class program which is made possible, in part, by the underwriting of our sponsors. Many sponsors come back year after year and we are grateful for your continued support.

Sponsorship rates for the 2022 conference are as follows:

Sponsorship level	Cost	
Platinum	\$6,500	Seminar included
Gold	\$4,500	
Silver	\$2,500	

As organizations 'get back to business', we have chosen not to raise our rates for the 2022 event. However, continued rising costs will mean an increase for sponsors and attendees in 2023. Please consider budgeting accordingly.

For more information and to sign up, contact Fibi Duke at fduke@nippc.org
